SAYS • 'I want to know if I'm eligible for a loan before applying.' • 'The approval process takes too long.' • 'I wish there was a quick and transparent way to check my eligibility.'	THINKS • 'Will my income and credit score be enough?' • 'There should be an AI system that predicts loan approval instantly.' • 'I need a reliable tool before approaching the bank.'
Rahul Sharma (Loan Applicant)	
DOES • Collects income and identity documents. • Checks credit score and repayment history. • Compares loan offers from different banks. • Applies online for a loan.	FEELS • Anxious about loan rejection. • Frustrated by lengthy verification. • Confident when using an AI prediction system. • Happy with quick and transparent decisions.
