Customer Journey Map

Phase of Journey	Stage 1 Discover & Check Eligibility	Stage 2 Apply for Loan	Stage 3 Get Prediction & Next Steps
Actions	- Visits Smart Lender website/app. - Enters basic details (income, employment, age, loan amount, etc.). - Clicks on "Check Eligibility".	- Fills detailed loan application form. - Uploads required documents. - Submits the application. - Waits while the system verifies details.	- Views loan eligibility prediction and recommended loan options. - Reviews predicted approval probability and reasons. - Proceeds with application or improves profile based on suggestions.
Touchpoint	- Home/Landing page. - Eligibility checker form. - Income, loan amount sliders/dropdowns.	- Loan application form. - Document upload section. - Backend verification & AI model processing.	- Result dashboard. - Prediction output & recommendation panel. - Download/Share report option.
Customer Thought	'I want to know if I am eligible for a loan.' 'Is my income and credit score enough?' 'I hope the process is quick and easy.'	'I hope my documents are correct.' 'How long will it take to get the result?' 'Will my loan get approved?'	'What is the likelihood of my approval?' 'Why am I eligible/ineligible?' 'What can I do to improve my approval chances?'
Customer Feeling	- Curious and hopeful. - Interested and expectant. - Wants a quick and simple process.	- Anxious while waiting. - Hopeful for positive approval. - Wants transparency.	- Relieved and satisfied if eligible. - Motivated to improve if not eligible. - Confident with clear guidance.
Process Ownership	- Frontend Developer (UI/UX) - Backend Developer (API)	- Backend Developer (Data Validation) - AI/ML Engineer (Model Processing) - DevOps (System Operations)	- Data Scientist (Prediction & Insights) - Frontend Developer (Dashboard) - Support Team (User Assistance)
Opportunities	- Improve UI for better user experience. - Add credit score integration. - Provide instant chat support.	- Reduce verification time. - Improve document validation. - Handle edge cases and errors.	- Show detailed reasons for prediction. - Provide tips to improve eligibility. - Allow PDF report & email summary.
